The Thibodaux Housing Authority is a medium PHMAP High-Performer agency located in Lafourche Parish, Louisiana. The THA manages 306 units of public housing at four developments.

The mission of the THA is:

The Thibodaux Housing Authority is committed to excellence in providing quality housing and an environment which will ensure all resident opportunity, access to resources, and the expectation that our communities will be safe, secure places to live and realize their potential.

To achieve the mission statement we will:

1. Recognize residents as our ultimate customers;
2. Improve Authority management and service delivery efforts through effective and efficient management of Authority staff;
3. Seek problem solving partnerships with residents, community, and government leadership; and
4. Apply limited Authority resource to the effective and efficient management and operation of public housing programs.

The THA will accomplish its mission ideals through its goals and objectives:

1. Providing decent, safe and affordable housing in our community.
2. Ensuring equal opportunity in housing for everyone
3. Improving community quality of life and economic vitality.
4. Increase resident participation through resident council and/or advisory committee.
5. To provide timely response to resident request for maintenance problems.
6. To return vacated units with new resident in 20 days.

7. To continue to enforce our "One Strike" policies for resident and applicants.
8. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position

The THA's financial resources include an operating fund, capital fund and dwelling rental income which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The THA has assessed the housing needs of Thibodaux and surrounding Lafourche Parish area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a very small agency. The THA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The THA has determined that its housing strategy complies with the state of Louisiana's Consolidated Plan

The THA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The THA has established a minimum rent of \$50.00 and has established Market Value Flat Rents effective 10/1/02.

The THA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The THA has no plans to demolish or dispose of any of its properties, but is planning to apply for Designated Housing for elderly only at its elderly/disabled site of LA 44-3. The THA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The THA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The THA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing in addition, the THA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of THA's Agency Plan to HUD on October 18, 2005.

### Deconcentration Policy

It is the policy of the Housing Authority of Thibodaux (THA) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the THA is to house no less than 40% of its inventory with families that have income at or below 30% of the area median income by public housing development. Also the THA will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the THA does not concentrate families with higher income levels, it is the goal of the THA not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The THA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the THA.

To accomplish the deconcentration goals the THA will take the following actions:

- A. At the beginning of each fiscal year, the THA will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
  - 1. Housing not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income, and
  - 2. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living the development with incomes that exceed 30% of the area median income, the THA's Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of local preferences with regards to applicant selection from its waiting list.

### C. Criteria for Substantial Deviation and Significant Amendments

#### 1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### A. Substantial Deviation from the 5-year Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

#### B. Significant Amendment or Modification to the Annual Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current Annual Statement) or change in use of replacement reserve funds under the Capital Fund; and

## **Attachment I: Progress in meeting the 5-year plan mission and goals**

The PHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2005 application will continue that effort.

PHA has implemented local preferences to improve the living environment in addition to our modernization efforts.

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, PHA re-instated its Community Service program and each adult member of every household has been notified. New market value flat rents were implemented October 1, 2002, to replace previous flat/ceiling rents

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2005.

## **Attachment J: Implementation of Public Housing Resident Community Service Requirement**

### **PHA Responsibilities**

#### **(1) Eligibility Determination**

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the following guidelines.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

#### **(2) Work Activity Opportunities**

The Thibodaux Housing Authority has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

##### **a. PHA Provided Activities.**

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.

##### **b. Third Party Certification**

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

##### **c. Verification of Compliance.**

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

## **Attachment J: Implementation of Public Housing Resident Community Service Requirement**

d. Notice of Noncompliance.

1. Briefly, describe the noncompliance (inadequate number of hours).

The family provides written assurance satisfactory, to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.

This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a noncompliance determination.

e. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement noncompliance by the resident and any other adult family member must:

1. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.
2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.
